WINE AND BEVERAGE SERVICE

In the event of an extension or delay of reception time, due to White County ordinances, quiet time is 11:00 p.m. All guests must depart the property at this time. Blackstock cannot be responsible for any personal property remaining on the premises after 12:00 midnight.

BlackStock is a non-smoking facility. We do not permit smoking anywhere in the buildings or in the vineyard. Smoking is allowed in the parking areas only.

Since our winery is located within the vineyard - for the safety of your guests and the natural growth of our grapes - we strongly enforce that no guests are permitted in the vineyards. The Bride and Groom and their family / wedding party may take pictures within the vineyards. No glassware, food or beverages are allowed outside the winery and deck area at any time.
